Carolina Business 2 Business

Networking Sessions

Five Minute Presenter

Dear Business Leader,

You are Cordially Invited to Present your organizational or business services, programs or events during the Carolina B2b Business Networking Sessions.

Your (two to five minute) presentation is designed to cause or inspire the attending corporate leaders and the fifty organizational attendees to respond or react positively to your request.

Sharing your five-minute presentation will increase your customer or supporter-base and expose your project or needs to local decision-makers.

The fifty small businesses and nonprofits in attendance will provide you with an effective opportunity to build relationships, discuss and showcase your organization while gaining an understanding of the attendees' specific needs and how you can serve each of them individually.

The primary purpose of the business networking sessions is to make all resources available to all local small businesses and nonprofits in one central location and on one central communication's platform.

The Carolina Media Arts Center's production teams will provide any assistance you need to ensure that you deliver a flawless presentation to the group and the world (first impressions are critical and ever-lasting)!

Details are attached to this invitation and available online.

Thank you for all that you do in the community.

For questions and confirmations please contact Tammy Patterson.

Looking forward to working with you and helping you to grow to your next level.

Tammy Patterson
